

# BIRD PROOF LITTER BINS

## DESIGNED FOR SAFE AND SECURE LITTER CONTAINMENT

Spill Crew's bird-proof plastic litter bin has been designed for outdoor public places, to securely and safely contain litter.

Spill Crew bird-proof litter bins are:

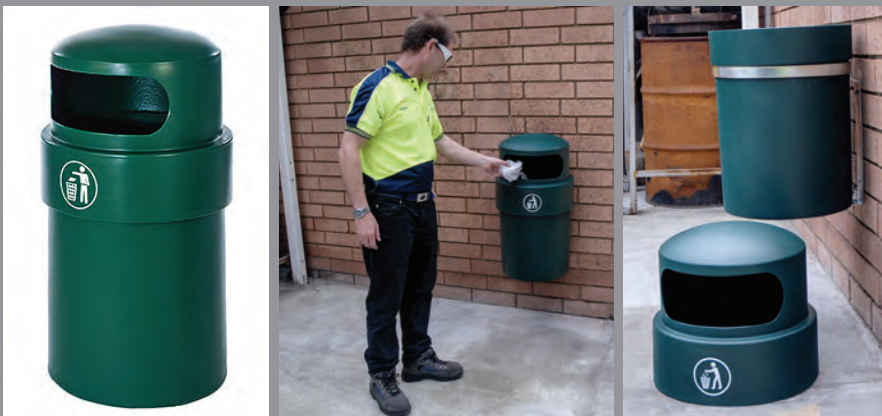

- Made from tough, UV resistant polyethylene
- Proudly made in Australia by Australians
- Ideal for use around kitchen areas, shopping centres, public buildings, schools, parks etc.
- Able to be free-standing or mounted onto a pole or wall (using the optional mounting bracket)
