

# SPILL MATS

These banded spill mats are a portable and reusable spill solution, perfect for catching leaks, drips and spills wherever equipment, machinery or vehicles are serviced, maintained or cleaned.

- Banded spill mats are ideal to capture spills when storing vehicles, plant and machinery.
- Easy to store, transport and set up - use as a portable washpad.
- Easy store spill mats are manufactured using a high-temperature resistance welding process that ensures leak-tight joints.
- Bund walls are made from an encapsulated, compressible, closed-cell foam allowing vehicles to drive on and off the bund.
- Easy store spill mats are supplied in a carry/storage bag.
- Spill mat sizes and designs can be easily customised – contact us to discuss your requirements.
- Designed and manufactured in Australia.
